

Press Release: For Immediate Release

EWI Options Issued

Ajax, Ontario, CANADA – (June 22, 2006) – Environmental Waste International (TSX-V: EWS) announced that on June 20, 2006 it issued options to purchase 1,550,000 common shares to its officers and directors. The options carry an exercise price of \$0.10 per share and will be outstanding until June 20, 2011.

EWI has designed systems for the breakdown of used tires, the sterilization of medical waste, liquid waste and food waste as well as the treatment of several other organic waste streams. EWI continues to work on designs for other processors. Please visit EWI's home page at: www.ewmc.com.

WARNING: The Company relies upon litigation protection for “forward-looking” statements. The TSX Venture Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.
