EWI: Shareholder Meeting Update and Options Issued

Ajax, Ontario, CANADA – (July 04, 2007) – Environmental Waste International Inc. (EWI) (TSX-V: EWS) announced that at the recent Annual General and Special Shareholder meeting held on June 27 2007, the shareholders approved the resolution for EWI to proceed with the Funding and Revenue Agreement as detailed in the June 5, 2007 press release. If the maximum funds are raised, EWI will receive \$3,000,000 cash. Please review the information circular filed on SEDAR or available on the EWI website for further details on the proposed transaction. EWI will now work with the TSX Venture Exchange to obtain final approval of the deal. Shareholders also approved the resolutions for the election of Directors as nominated by management, the appointment of Rich Rotstein LLP as auditors, and an increase to the Company’s Incentive Stock Option Plan to a maximum of 7,100,000 shares with the addition of a six-month vesting period on all new options issued under the Plan.

EWI issued options to purchase 1,485,000 common shares of which 600,000 were issued to current directors at an issue price of \$0.15 per share and 700,000 were issued to current directors at an issue price of \$0.30 per share. Both groups of options will be outstanding until June 26, 2012.

EWI has designed systems for the sterilization of medical and animal waste, liquid waste and food waste as well as the treatment of several other organic waste streams including the breakdown of used tires. EWI continues to work on designs for other processors. Please visit EWI’s home page at: www.ewmc.com.
