EWI RAISES \$480,000 THROUGH PRIVATE PLACEMENT

Environmental Waste International Inc. (EWI) announces that it has received regulatory approval for the private placement announced on February 7, 2006. The placement was for 4 million units at \$0.12 with 2 million warrants at \$0.16 valid until March 13, 2008. All 4 million units were subscribed for and all shares issued pursuant to the placement will be subject to a four-month hold period. Participants in the placement included all six directors and the CFO for a total of 1,757,000 units representing \$210,840. Funds will be used for ongoing research and development projects and for general working capital purposes.

EWI has designed systems for the breakdown of used tires, the sterilization of medical waste, liquid waste and food waste as well as the treatment of several other organic waste streams. Please visit EWI's home page at: www.ewmc.com

WARNING: The Company relies upon litigation protection for "forward-looking" statements.
