EWI CLOSSES PRIVATE PLACEMENT

Ajax, Ontario, CANADA – (November 7, 2006) – Environmental Waste International Inc. (EWI) (TSX-V: EWS) announces that it has received regulatory approval for the private placement announced on October 27, 2006. The placement was for 2,500,000 units at \$0.10 with 2,500,000 warrants at \$0.20 valid until October 31, 2008. Three participants purchased the placement units for a total dollar value of \$250,000. All shares issued pursuant to the placement will be subject to a four-month hold period. Funds will be used for ongoing research and development projects and for general working capital purposes.

EWI has designed systems for the sterilization of medical waste, liquid waste and food waste as well as the treatment of several other organic waste streams including the breakdown of used tires. EWI continues to work on designs for other processors. Please visit EWI's home page at: www.ewmc.com.
