

EWS Retains Investor Relations firm
Renmark Financial Communications Inc.

Ajax, Ontario, CANADA – (August 5, 2011) Environmental Waste International Inc. (EWS) (TSXV: EWS) announced that it has retained the services of Renmark Financial Communications Inc. (Renmark) to handle its investor relations activities.

“We have selected Renmark Financial to introduce EWS to the financial community and enhance the visibility of our project portfolio. We chose Renmark because its standards and methodologies fit best with the message we wish to communicate to the investing public,” noted Stephen Simms President and CEO of EWS.

EWS has agreed to a 12-month agreement starting immediately, with a monthly retainer of \$5,000 for the first six months increasing to \$7,000 thereafter. Renmark has no direct or indirect interest in EWS or any of its securities, including options. It has no right or intent to acquire such interests..

About Environmental Waste International Inc.

EWS has designed processors for the environmentally safe sterilization and disposal of medical, biological, liquid and food waste and for the recovery of usable byproducts from waste tires and other organic sources. EWS continues to explore other applications for its technology. Please visit the EWS webpage on the Internet at: www.ewmc.com for additional information.

WARNING: The Company relies upon litigation protection for “forward-looking” statements. The TSX Venture Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.
