EWI Announces Filing of Revised Quarterly 2004 Financial Statements

Environmental Waste International Inc. (EWI) announces that as a result of the re-filing of its 2003 financial statements on SEDAR together with the report of its new auditor, EWI has also filed revised quarterly financial statements for the quarters ended March 31, 2004, June 30, 2004, and September 30, 2004 together with revised comparative figures for the corresponding periods in 2003.

Revised 2004 quarterly financial statements include changes to the originally filed quarterly financial statements which are detailed in note 3 to the revised 2003 financial statements, and in note 2 to these revised quarterly financial statements.

EWI expects to file its 2004 financial statements in due course and in the normal fashion.

EWI has developed environmentally safe processors for effluent decontamination from biocontainment facilities, for sterilization of medical and biological waste and for the recovery of usable byproducts from rubber tires. EWI continues to work on designs for other processors. Please visit Environmental Waste International Inc.'s home page on the Internet at: www.ewmc.com
