

Environmental Waste International Announces New CEO And President

August 21, 2023 - WHITBY, ONTARIO--(Newsfile Corp.) - Environmental Waste International (TSXV:EWS.V) (the “Company” or “EWS”) is pleased to announce the official appointment of Kelli Harrington as President and Chief Executive Officer (CEO), effective immediately. Harrington, an accomplished and visionary leader in introducing innovative solutions in the energy field, is poised to lead EWI into a new era of commercializing its leading-edge recycling technologies. We look forward to communicating about our evolving strategy as Kelli establishes her leadership of the company in the coming months. The entire EWI team extends their appreciation to outgoing CEO, Bob McBean, for his contributions to the company over the past decade. Concurrent with Ms. Harrington’s appointment, the Board has authorized and approved the issuance of 1,000,000 restricted stock units (“RSUs”) to be granted to Ms. Harrington under its omnibus incentive plan. The RSUs vest over 3 years in accordance with its plan.

About Environmental Waste International Inc.

Environmental Waste International Inc. specializes in eco-friendly systems for the breakdown of organic materials, including tires. The Company has spent over 20 years engineering systems that integrate the EWS patented Reverse Polymerization™ process and proprietary microwave delivery system. EWS’s unique microwave technology safely processes and recycles waste tires, while recovering highly valuable commodities, including carbon black, oil and steel. Each unit is designed to be environmentally safe, energy efficient, and economically profitable for the operator. For more information please visit, www.ewi.ca.
